

FORESTRY IN NEW BRUNSWICK

The backbone of our communities

DISTRIBUTED THROUGHOUT THE PROVINCE NEW BRUNSWICK

Book By: October 9, 2021
Publishes: October 23, 2021

From seed to towering tree, our forests define what make New Brunswick home. They are a huge part of our environment and economy, accounting for more than \$1.5 billion annually. In fact, forestry is New Brunswick's largest industry.

Share your voice and grow your message in this special advertising section Brunswick News will be distributing across the province.

Contact your marketing sales consultant in your neck of the woods to celebrate the forests of New Brunswick!

Purchase a full or a half page ad, and receive the same size space for advertorial
